

MSPhotography Wedding Prices 2009

MSPhotography offer you a collection of 3 unique wedding packages, however we recognize individual and bespoke personal photographic requirements. Please contact us for further pricing information and to check for remaining bookings for 2009

Montserrat - £595.00

Photographic coverage commences at the ceremony location with the groom, best man and arrival of the bride continuing until the mock cutting of the cake prior to the wedding breakfast. Included with this is an elegant 8" x 8" white bark flower photo album with 24 (7" x 5") prints.

Martinique - £895.00

The photographer will start the day capturing the brides preparations prior to the departure for the ceremony. The photographer will then take pictures at the ceremony location with the groom, best man and arrival of the bride continuing until mock cutting of the cake prior to the wedding breakfast. Included with this is an elegant 11" x 14" white bark flower photo album with 60 (10" x 7") prints.

Antigua - £1295.00

The photographer will be with you to capture every special moment of your wedding day from the brides preparations in the morning to the first dance of the evening. Formal and informal photography of the bride, groom and wedding party before and after your ceremony, the wedding breakfast and evening celebrations giving you memories that you will cherish eternally. Included with this is an elegant 13" x 16" white bark flower photo album with 60 (10" x 7") prints.

MSPhotography
